Retraction to: Report of Health Care 2015; 1(1): 1-5. Published online 29 August 2015

Report of Health Care regretfully retracts the article "The frequency and pattern of antibiotic resistance among *Klebsiella* spp. isolated from nosocomial infection in Khorramabad hospital" which was published in this journal in December 19, 2014. Based on recommendations from COPE, we retracted this paper, which is a duplicate and self-plagiarism of the paper entitled "Comparison frequency and Determination antibiotic resistance pattern of *Klebsiella* SPP. isolated from Nosocomial infection in Khorramabad Shohadaye Ashayer hospital" published in *Bulletin of Environment, Pharmacology and Life Sciences* (November 2014; 3(12): 149-154).
