

Conflict of Interest & Copyright Transfer Form

(Please compile this form and sign)

To facilitate disclosure, each author must answer the following questions. If you answer any question "yes," add explanatory information below that question. You may edit this form as required to facilitate disclosure. Please append the completed form to your manuscript on the initial submission. It is not required for revisions unless the Conflict of Interest has changed or additional authors have been added to the paper. The Journal encourages full disclosure. The Journal recognizes that Conflict of Interest is very common and in some settings is unavoidable. Only in exceptional cases does the Journal consider author conflict-of-interest in the peer review process. Please complete and sign this form and send it back to us with the final version of your manuscript. It is required to obtain a written confirmation from authors in order to acquire copyrights for papers published in Iranian Journal of Earth Sciences (IJES).
